Best in Books

This collection consists of books from the Palgrave Macmillan and Springer imprints, offering up-to-date, international scholarly research. It includes the world's leading English-language oral history book series, *Palgrave Studies in Oral History* (called 'A premier publisher of oral history,' by CHOICE).

The collection includes a range of formats – monographs, edited collections and handbooks – to offer depth of coverage across key subdisciplines.

Always Connected

Connecting with Authors and Editors around the World

We are a truly international publisher, serving the research community around the globe. With hubs throughout Europe, the Americas and Asia Pacific we are perfectly positioned to connect with our book authors and editors wherever they are located. Our global base of editorial staff is located in cities such as New York, London, Heidelberg, Tokyo, Beijing, New Delhi, Singapore and São Paulo. They constantly travel to scientific meetings and universities to connect with the research community.

Authorships worldwide

Springer Nature eBooks

In 2015, the Springer and Palgrave Macmillan publishing brands came together under the newly formed company, Springer Nature. This brought together editorial teams with their subject matter expertise, coupled with longstanding publishing histories with the world's foremost authors and societies to allow Springer Nature to deliver the most complete STM and HSS book offerings available worldwide.
