

Humanities, Social Sciences and Law

Springer Journal Collection

Top Quality

With over 220 journals, the Springer Humanities, Social Sciences and Law program serves research and academic communities around the globe, covering the fields of Philosophy, Law, Sociology, Linguistics, Education, Criminal Justice and more. Springer journals are recognized as a source for high-quality, specialized content across a broad range of interests. All journals are peer-reviewed and edited by internationally respected scientists, researchers and academics from world-leading institutions and corporations. Most of the journals are indexed by major abstracting services. Articles are searchable by subject, publication title, topic, author or keywords on SpringerLink, the world's most comprehensive online collection of scientific, technological and medical journals, books and reference works.

More than 220 journals
