

Kerkhoff Competence Center of Supply Chain Management (KCC)

eBook distribution factsheet

Kerkhoff Consulting finances the **Kerkhoff Competence Center of Supply Chain Management (KCC)** at the chair for logistics management of the renowned *University of St. Gallen*, Switzerland. As an interface between science and practice, **KCC** is researching trends and change processes in the disciplines of purchasing, procurement and supply chain management.

All scientific, English books that **KCC** publishes in 2011/with 2011 copyright year will be part of the appropriate eBook collections. It is estimated that this will be a approximately 4 titles per CRY. The majority of titles will fit in the Business and Economics collection.

- Springer has acquired the exclusive distribution rights for eBooks and print as well.
- No backlist titles are included in the deal.

More information on the **KCC** can be found on [their website](#) (German).
