

FOR LEGAL PROFESSIONALS

Partnering worldwide with law firms, legal departments, corporate councils and patent experts.

The Law portfolio includes a comprehensive range of authoritative eBooks and eJournals curated specifically for law professionals. It covers the breadth of current topics from International Economic Law and Intellectual Property, Public International Law to Maritime Law, as well as highly specialised subjects such as emerging fields of study and rising global issues in law. Legal professionals worldwide access this portfolio for the latest regulations, best practices, compliancy information, and for new developments within the field, such as European Law and GDPR.

Since 2010, Springer has a book publishing partnership with the renowned T.M.C. Asser Press, which brings a strong collection of titles in the field of International Humanitarian Law, International Criminal Law and Sports Law.

- High quality
- Easily accessible
- Targeted content

Leading you to the latest findings in Legal Research

With Springer Nature, your legal department can access broad collections of original content covering all aspects of legal research. Our journal, eBook and database content supports various phases of the legal profession. Access to our original and quality assured content ensures your legal department can leverage the knowledge they need to resolve issues, be it best practice, regulations or to address changes in the law.

Our flexible licensing means you select exactly the information you are in need of, so you only ever pay for what you're using. Quick reporting tools let you easily demonstrate value to other departments and adapt your collections so that you always satisfy user-demand. With Springer Nature, the information reputation is strong, your legal professionals are productive and your organisation stays at the forefront of its legal research.

How to get access to the content you need

Flexible business models enable you to get access to the content you need, maximizing usage and return on investment. With licensing models from low entry tailored collections to licensing single content collections, archived content or the entire content database.

Request a trial to see how your organization can benefit from partnering with Springer Nature. Or ask a representative about the ideal solution for your organization, department or team today!
