

# Behavioral Sciences

## Springer Journal Collection

Top Quality

The Behavioral Science journals collection includes more than **125** top journals in the field. All journals in the collection are rigorously peer-reviewed and publish the latest, cutting edge research. All journals are included in the prestigious abstracting & indexing service PsycINFO as well as many others services including the Social Science Citation Index (e.g., Impact Factors) and PubMed/MEDLine. The content is searchable by subject, publication title, topic, author or keywords on SpringerLink, the world's most comprehensive online collection of scientific, technological and medical journals, books and reference works.

More than 125 journals

### Highlights from the collection
