

# EXPLORE SPRINGER NATURE CONTENT IN YOUR LIBRARY!

ADVANCING  
**DISCOVERY**

From major discoveries in the last 175 years to today's breakthroughs – you can find important research from across science, technology, medicine, social sciences and humanities through our portfolio of journals, books and databases.

Access can be made via your IP ranges or Athens account.

Contact your librarian for more information on the content available or visit [springernature.com](https://springernature.com)
