RESEARCH WITH IMPACT

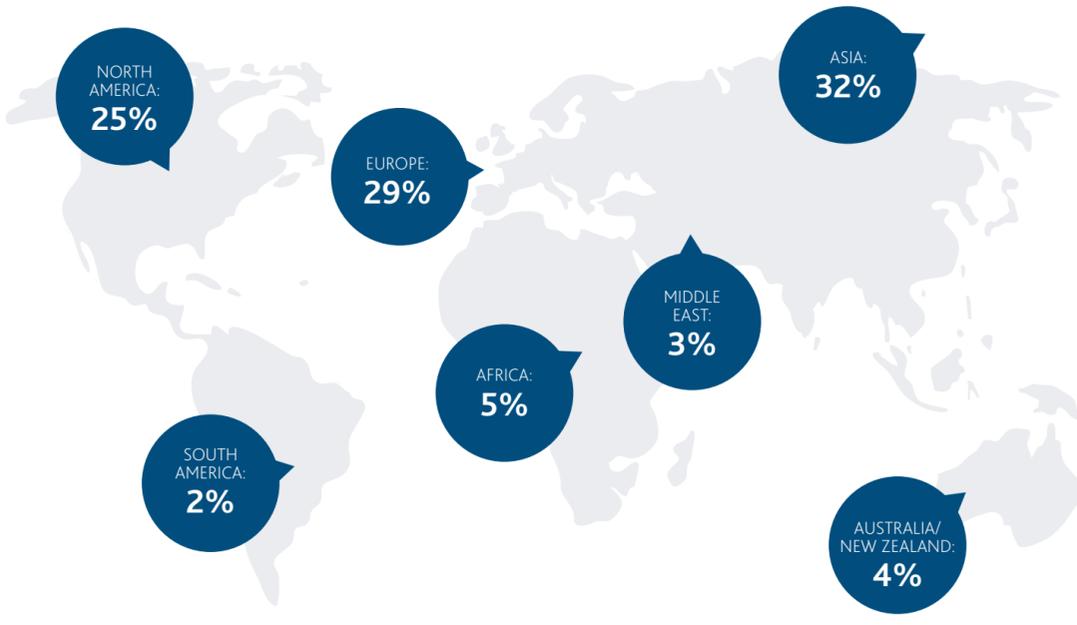

More than half our journals are included in the *Journal Citation Reports*® Social Sciences and Science Editions, and 55% of indexed journals have seen an increase in Impact Factor over the past year, with an average increase of 28%

Our journal articles have featured in...

The Guardian | The New York Times | The Huffington Post
The Washington Times | The Daily Telegraph | Forbes.com
CNN | Nature | The Spectator Online | The Conversation

JOIN OUR GLOBAL READERSHIP

NOT SURE WHERE TO START?

Our leading portfolio in IS/IT includes *Journal of Information Technology* and *European Journal of Information Systems* - both listed in the Association for Information Systems **Senior Scholars' Basket of Journals**, identifying the top 8 journals in the field of IS

postmedieval: a journal of medieval cultural studies has been awarded 'Best New Journal in HSS' (PROSE, 2011), 'Best New Journal' (ALPSP, 2012), and the 'Codex Award' for distinction within journals covering the period before 1500 (CELJ, 2015)

Journal of International Business Studies is the top-ranked journal in the field of international business, ranked **12/120 in Business** (2015 Journal Citation Reports®) and **1st in International Business** by Google Scholar. *JIBS* received an award of **4* - the highest quality ranking possible** - in the Chartered Association of Business Schools' Academic Journal Guide 2015

IMF Economic Review is essential reading for anyone interested in questions related to global economic policies, featuring articles from leading scholars such as **Paul Krugman, Maurice Obstfeld, Thomas Piketty, Stanley Fischer, Kristin Forbes, Eswar Prasad, Emmanuel Farhi, Ivan Werning, Ricardo Caballero, Guido Lorenzoni and Larry Summers**

Journal of the Operational Research Society is the world's longest-established OR journal - with its full 67 year archive available online

For more than 30 years, *Feminist Review* has been setting new agendas for feminism - bringing together multidisciplinary scholarship to address key issues from a feminist perspective including the politics of austerity, race, disability, violence and food

OPEN

Launched in 2015, *Palgrave Communications* is the first high quality open access journal for original peer-reviewed research across all areas of the humanities, the social sciences and business and is Palgrave's first fully open access journal
