

LNBIP Forthcoming Proceedings (2024–2026)

- Contact Details

- LNBIP Editorial, Springer
- Address: Europaplatz 3, 69115 Heidelberg, Germany
- E-mail: lnbip@springer.com
- Web site: <http://www.springer.com/series/7911>

- Proceedings Published in LNBIP – LNBIP reports state-of-the-arts results in areas related to business information systems and industrial application software development – timely, at a high level, and both in print and electronic form. The type of material published includes

- Proceedings (for the conference, published in time for the event)
- Post-proceedings (after conference, compilation of revised and/ or extended final papers)
- Other edited monographs (such as project reports, invited papers etc.)

This document contains a non-exclusive list of conferences dating back to 2024:
