

Systematic literature search for:

Corticosteroids augmented intra-articular infiltrations of hyaluronic acid for knee osteoarthritis: a meta-analysis

Concept 1: Knee osteoarthritis

Keywords:

knee OA
knee osteoarthritis

Mesh:

"Osteoarthritis, Knee"[Mesh]

Concept 2: Treatment

Keywords:

hyaluronic acid infiltrations
HA infiltrations
Corticosteroids (CCs)

Mesh:

"Hyaluronic Acid"[Mesh]

Concept 3: Interest of the outcome

PROMs

Keywords:

Western Ontario and McMaster
Universities Osteoarthritis (WOMAC)

Mesh:

"Patient Outcome Assessment"[Mesh]
"Patient Reported Outcome
Measures"[Mesh]

Concept 1:

"Osteoarthritis, Knee"[Mesh] OR knee osteoarthritis OR knee OA

AND

Concept 2:

"Hyaluronic Acid"[Mesh] OR hyaluronic acid infiltrations OR HA infiltrations

AND

Corticosteroids OR CCs OR corticosteroid therapy

AND

Concept 3:

"Patient Outcome Assessment"[Mesh] OR "Patient Reported Outcome Measures"[Mesh] OR PROM OR Western Ontario and McMaster Universities Osteoarthritis (WOMAC)

NOT

Hip

Summary of the Search

((("Osteoarthritis, Knee"[Mesh] OR knee osteoarthritis OR knee OA) AND ("Hyaluronic Acid"[Mesh] OR hyaluronic acid infiltrations OR HA infiltrations)) AND (Corticosteroids OR CCs OR corticosteroid therapy)) AND ("Patient Outcome Assessment"[Mesh] OR "Patient Reported Outcome Measures"[Mesh] OR PROM OR Western Ontario and McMaster Universities Osteoarthritis (WOMAC))) NOT (Hip)
