Haemosporidian blood parasites of passerine birds in north-western Siberia

Dina A. Yusupova, Yvonne R. Schumm, Aleksandr A. Sokolov & Petra Quillfeldt

Online Resource 1.

List of avian species sampled in two regions of Yamal peninsula (Erkuta and Labytnangi) for blood parasite screening. Sample sizes for genetic blood parasite analyses in Erkuta and Labytnangi sample sites are given (numbers in the brackets – for blood smears screening, if sample sizes differ). Avian families are given as stated in the MavAvi database
