

“It has tentacles into every single aspect of me” A Qualitative Evidence Synthesis of the Lived Experiences and Perceptions of ADHD Youth.

European Child & Adolescent Psychiatry

Jessie Tierney¹, Health Research Institute, School of Allied Health, Faculty of Education and Health Sciences, University of Limerick, Ireland. tierney.jessie@ul.ie

Doctor Ann-Marie Morrissey², Ageing Research Centre, Health Research Institute, School of Allied Health, Faculty of Education and Health Sciences, University of Limerick, Ireland.

Doctor Dimitrios Adamis³, Sligo Mental Health Services Adult ADHD Clinic, Sligo, Ireland; and Department of Psychiatry, University of Limerick, Ireland.

Doctor Margo Wrigley⁴, HSE National Clinical Programme for ADHD in Adults, Health Service Executive, Dublin 8, Ireland.

Doctor Katie Robinson², Ageing Research Centre, Health Research Institute, School of Allied Health, Faculty of Education and Health Sciences, University of Limerick, Ireland.

Purposive Sampling Tables

Papers for Inclusion

Author	Year	Score	Comment
Ben-Dor Cohen	2023	3	A reasonable amount of qualitative data that relate to the synthesis objective.
Brinkman	2012	4	A good amount and depth of qualitative data that relate to the synthesis objective. Also, maximum variation – Population (age).
Chen	2023	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Cheung	2015	N/A	Maximum variation – Country.
Clancy	2020	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Darby	2023	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Druedahl	2018	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Fleishmann	2017	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Godfrey-Harris	2023	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Goffer	2022	4	A good amount and depth of qualitative data that relate to the synthesis objective.
Golson	2023	N/A	Maximum variation – Population.
Golson	2022	N/A	Maximum variation – Population.

Gronneberg	2024	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Gudka	2024	N/A	Maximum variation – Dimension of lived experience.
Janssens	2020	4	A good amount and depth of qualitative data that relate to the synthesis objective.
Kwon	2018	N/A	Maximum variation – Country.
Lasky	2016	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Lee	2014	N/A	Maximum variation – Dimension of lived experience.
Loe	2008	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Lyhne	2021	4	A good amount and depth of qualitative data that relate to the synthesis objective.
Meaux	2009	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Oster	2020	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Perry	2006	4	A good amount and depth of qualitative data that relate to the synthesis objective.
Rasmussen	2024	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Schaefer	2017	3	A reasonable amount of qualitative data that relate to the synthesis objective.
Sibley	2018	3	A reasonable amount of qualitative data that relate to the synthesis objective.
Stamp	2014	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.
Tov	2022	N/A	Maximum variation – Population (age & area).
Weisner	2018	3	A reasonable amount of qualitative data that relate to the synthesis objective
Wiener	2016	5	A large amount and depth of qualitative data that relate in depth to the synthesis objective.

Papers for Exclusion

Author	Year	Score	Comment
--------	------	-------	---------

Ahmad	2024	1	Very little qualitative data presented that relate to the synthesis objective.
Denyer	2023	1	Very little qualitative data presented that relate to the synthesis objective.
Druedahl	2020	2	Some qualitative data presented that relate to the synthesis objective.
Enggaard	2020	2	Some qualitative data presented that relate to the synthesis objective.
Frondelius	2019	2	Some qualitative data presented that relate to the synthesis objective.
Gallo	2014	2	Some qualitative data presented that relate to the synthesis objective.
Gallagher	2023	1	Very little qualitative data presented that relate to the synthesis objective.
Gibbs	2016	2	Some qualitative data presented that relate to the synthesis objective.
Gibbs	2022	2	Some qualitative data presented that relate to the synthesis objective.
Gray	2016	1	Those findings that are presented are fairly descriptive.
Hareendran	2015	2	Some qualitative data presented that relate to the synthesis objective.
Lee	2008	1	Very little qualitative data presented that relate to the synthesis objective. Those findings that are presented are fairly descriptive.
Meaux	2006	2	Some qualitative data presented that relate to the synthesis objective.
Meyer	2020	1	Very little qualitative data presented that relate to the synthesis objective.
Mitchell	2018	1	Those findings that are presented are fairly descriptive.
Padilla-Petry	2018	2	Some qualitative data presented that relate to the synthesis objective.
Parker	2011	1	Very little qualitative data presented that relate to the synthesis objective.
Parker	2013	1	Very little qualitative data presented that relate to the synthesis objective.
Pfeifer	2023	1	Very little qualitative data presented that relate to the synthesis objective.
Sibley	2023	1	Very little qualitative data presented that relate to the synthesis objective. Those findings that are presented are fairly descriptive.
Sikirica	2015	2	Some qualitative data presented that relate to the synthesis objective.
Taneja-Johansson	2021	2	Some qualitative data presented that relate to the synthesis objective.
Wong	2009	2	Some qualitative data presented that relate to the synthesis objective.
Yeguez	2022	1	Very little qualitative data presented that relate to the synthesis objective. Those findings that are presented are fairly descriptive.
Zaghi	2023	1	Very little qualitative data presented that relate to the synthesis objective.
