

解放军第九六〇医院科研伦理委员会
研究项目审批件

批件号：(2023) 科研伦理审第 (107) 号

项目名称	双阴性 T 细胞联合 IL-15 在乳腺癌免疫治疗中的作用及机制研究				
研究部门	检验科	项目负责人	刘晓斐	职称	主任技师
审查相关文件	1. 伦理审查申请表 2. 研究计划方案简介 3. 知情同意书/免除知情同意书申请 4. 其他相关资料				
审查方式	☒ 快速审查 ☐ 会议审查				
投票情况	伦理委员会秘书选取 3 名委员对该项目进行快速审查。委员审查相关资料后，填写表决票。投票结果：同意 3 票，无异议。				
审查意见	伦理委员会已经接受上述文件，经审查符合《涉及人的生物医学研究伦理审查办法》及相关的法律法规，同意开展研究。同时请注意以下事项： 1. 如研究期间发生严重不良事件，请在获知后 24 小时内报告本伦理委员会。电话：0531-51666145, 51665482 2. 研究期间研究方案和知情同意书的任何修改，应获得本伦理委员会批准同意。 3. 研究结束后，研究小结（报告）需提交伦理委员会。				
	评审结论：同意				
主任委员签名： 					
					
声明：遵照《赫尔辛基宣言》原则，解放军联勤保障部队第九六〇医院伦理委员会从保障受试者权益角度和保护实验动物福利伦理等方面对有关研究资料严格审议，并对研究者递交的所有资料及研究项目保密。					

Scientific Research Ethics Committee of the 960th Hospital of PLA Approval Document of Research Project

Approval number: (2023) Research Ethics Review No. (107)

Title	The function and mechanism of double negative T cells in conjunction with IL-15 for breast cancer immunotherapy				
Research Department	Laboratory of the Department of Research	Project Leader	Xiao-Fei Liu	Professional qualification	Chief Technician
Review of Relevant Documents	1. Ethical Review Application Form 2. Brief Introduction to Research Plan 3. Informed Consent/Waiver of Informed Consent Application 4. Other relevant materials				
Review Method	☒ Rapid Review ☐ Meeting Review Voting Results				
Voting status	Three members selected by the Secretary of the Ethics Committee conducted a rapid review of this project. After reviewing the relevant documents, the committee members filled out their voting ballots. Voting results: 3 votes in favor, no objections.				
Review Comments	The Ethics Committee has accepted the above-mentioned documents and reviewed them in accordance with the "Ethical Review Measures for Biomedical Research Involving Humans" and related laws and regulations, agreeing to proceed with the research. Please note the following matters: - If any serious adverse events occur during the study period, please report to this Ethics Committee within 24 hours after being informed. Telephone: 0531-51666145, 51665482 - Any modifications to the research plan or informed consent form during the study period should be approved by this Ethics Committee. - At the end of the study, a research summary (report) needs to be submitted to this Ethics Committee.				
	Evaluation Conclusion: Approved				
Signature of Chairman  Ethics Committee, PLA General Hospital (Seal) December 28th, 2023					
Statement: In accordance with the principles of the Helsinki Declaration, the Ethics Committee of the PLA Joint Logistic Support Force's 960th Hospital strictly reviews all relevant research materials from the perspective of safeguarding the rights and welfare ethics of subjects and protecting animal welfare ethics. All submitted documents and research projects are kept confidential.
