

Appendix A

Question Guideline

1. How do you come to know yourself as a gay man?
2. If you can divide your journey into book chapters, what are the titles given for these chapters?
3. How would you describe the content of each chapter of life?

What were the factors that help?

What were the barrier from moving on?
4. Does your ethnicity play a role in your identity as a gay man in Malaysia?

In what way?
