

Table 11

Domain 5: Students' Suggestions for Enhancements to RAP-A-ASD

Core idea	Common themes	Importance		Illustrative Quotes
		Unweighted	Weighted	
Increased contact	More frequent sessions	1	2	[provide] lunchtime sessions More [sessions] in a week
	Booster sessions	1	1	Are you guys doing it again next year? Cause I wouldn't mind doing it again.
Reduced reading and writing	More practical activities	5	6	More activities More hands-on activities Do more practical things ... more things with hands
	Less writing	3	4	Survey ... the kids before [commencing RAP] and find out if they like to do writing [tasks] Not do as much of ... the book work Have more fun things to do than just writing things 'cause we do that ... day after day, every week
	More fun activities	2	3	People don't like to write that much, maybe let them type it The middle was just work ... the middle isn't really that great Playing games, except to trick them into learning Do more fun activities
Personalise the program	Tailor the program to the individual's needs	1	1	Make it tailored ... to different people's experiences ... because people get stressed with particular things ... sometimes you just need to tailor it a little bit more to what people actually need

Note: Themes are presented in order of weighted importance, with higher importance scores presented first.
