Figure S1

First Network Analysis - Sample mean and bootstrapped mean for each edge connecting the Self-Compassion Scale and Compassion Scale subscales

Note. Bootstrap-based confidence intervals are depicted in grey areas, illustrating the statistical variability and confidence in the connections between the subscales. CS_CH = CS Common Humanity; CS_K = CS Kindness; CS_M = CS Mindfulness; CS_NI = CS Non Indifference; SCS_CH = SCS Common Humanity; SCS_I = SCS Isolation; SCS_M = SCS Mindfulness; SCS_OI = SCS Over Identification; SCS_SK = SCS Self Kindness; SCS_SJ = SCS Self Judgment.
