Online Resource 2. NHS EED and HTA search strategy (CRD database)

Search Type	Search	Search String	Result hits
Title	1	Heart failure (pd(20140101-20200318))	77
Total			77

Note: Since August 2018 the databases HTA and NHS EED are no longer available through the Cochrane Library. Therefore, the databases will be searched through the CRD website (link). As this website has limited search functionality, “heart failure” was utilised for the Cochrane search strategy in the title field.

Search date: 18 March 202
