- a) No
- b) Actually not
- c) Partly
- d) Absolutely
- e) Do not know

Are the questions in PSC relevant for the stroke-affected persons living in nursing homes?

- a) No
- b) Actually not
- c) Partly
- d) Absolutely
- e) Do not know

Will you recommend PSC to your colleagues?

- a) No, absolutely not
- b) Probably not
- c) Probably
- d) Absolutely
- e) Do not know

Generally – is PSC useful?

- a) No, absolutely not
- b) Probably not
- c) Probably
- d) Absolutely
- e) Do not know

Is PSC easy to use?

- a) No
- b) Not particular
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC precise?

- a) No
- b) Not particular
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC thorough, exhaustive?

- a) No
- b) Not particular
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC informative?

- a) No
- b) Not particulary
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC practical?

- a) No
- b) Not particulary
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC simple?

- a) No
- b) Not particulary
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

Is PSC fast to administer?

- a) No
- b) Not particulary
- c) Rather, partly
- d) Yes, absolutely
- e) Do not know

In which way can the information from PSC be valuable?
