Subject: confirmation of changes requested by the journal

Dear co-authors,

As you might know, the paper has been provisionally accepted in Cell Death an Disease.

Now, the journal would like to receive the confirmation from all authors regarding the changes in the author list. You have already seen this version of the manuscript, however now please send me a reply e-mail with a confirmation ("I agree to the addition of an author to the manuscript") at your earliest convenience. The last version of the manuscript has been attached. Also, if any changes in affiliation etc need to be made, please let mem know.

Thank you for your cooperation,

Dear Greg,

These are good news :-)

Regarding the authorship:

I agree to the addition of an author to the manuscript.

Do you also need an official signature?

Best regards,

Ute

PS.: Looking at the latest version of the manuscript I realized that the affiliations are not in the right order (e.g. 3 before 2), but most likely you are already aware of it.

Dear Greg,

here is my official confirmation to "Cell Death and Diseases":

To whom it may concern:

I agree to the addition of an author to the manuscript to the manuscript entitled

"The caspase-2 substrate p54nrb exhibits a multifaceted role in tumor cell death susceptibility via gene regulatory functions"

by Madeleine Eichler, Ute Distler, Usman Nasrullah, Aswini Krishnan, Manuel Kaulich, Koraljka Husnjak, Wolfgang Eberhardt, Krishnaraj Rajalingam, Stefan Tenzer, Josef Pfeilschifter, Gergely Imre.

Kind regards,

Wolfgang Eberhardt, PhD
