Subject: Approval need to Taylor's paper

Dear all,

After the last revision of Taylor's paper, we added Gary Hannon to the author list.

Per Cell Death and Disease's rules, all authors need to confirm this addition.

Could you just reply to this email stating "Confirm to addition of Gary Hannon". I will then send these on to finalize submission.

Thank you,

Scott

Hi Scott,

Sorry for the late response to this.

I can't access my UPMC email at this time.

Please take this as my approval for adding Gary Hannon as an author to this paper.

Let me know if you need anything else!

Joe
