Dear co-authors,

Manuscript Number: CDDISCOVERY-22-4968R1

Title: PKM2 deficiency exacerbates gram-negative sepsis-induced cardiomyopathy via disrupting cardiac calcium homeostasis

Considering that Can Li and Lei Chen have made adequate contributions during the revision, I would like to ask for your agreement to change/add their names in the final author lists.

The raw order of the authors was: Le Ni, Bowen Lin, Meiting Shen, Lingjie Hu, Fengmei Fu, Can Li, Jian Yang, Dan Shi

The final order of the authors was: Le Ni, Bowen Lin, Meiting Shen, Can Li, Lingjie Hu, Fengmei Fu, Lei Chen, Jian Yang, Dan Shi

Please respond "Agree" or "Not agree" to this email.

Yours sincerely,

Dan Shi, MD, PhD

Tongji University School of Medicine

J

Dear Dr. Shi,

Thanks for the notification. I agree with the change of authorship.

Best,

Jian Yang Ph.D, Professor

Tongji University School of Medicine
