
Table S1. Work Hours Spent

Category	Clinical Geneticists, n (%)
% FTE on medical genetics	n=491
<50%	204 (41.5)
>50%	279 (56.8)
Not Applicable	8 (1.6)
No. of hours in avg work week	n=460
Mean ($\pm$ SD)	50.2 ($\pm$ 15.0)
Median (Range)	50 (0-120)
0-20	24 (5.2)
21-40	99 (21.5)
41-60	275 (59.8)
>61	61 (13.3)
Don't Know/Not Applicable	1 (0.2)

FTE, full time equivalent, SD, standard deviation

Figure S1. Distribution of percent time spent in genetics-related activities (n=432). Percent time was normalized to 100%

Figure S2. Distribution of percent time spent in clinical genetics areas (n=439). Percent time was normalized to 100%

NCC Genetics Workforce Working Group Roster

Hans Andersson, MD

Tulane University

Judith Benkendorf, MS, CGC

American College of Medical Genetics and Genomics

Miriam Blitzer, PhD, MS

American Board of Medical Genetics and Genomics

Joann Bodurtha, MD, MPH

Johns Hopkins University

Tina Cowan, PhD

Stanford University

Andrea Durst, MS, DrPH, LCGC

University of Pittsburgh

Mat Edick, PhD

Michigan Public Health Institute

Jennifer Hoskovec, MS, CGC

University of Texas Health Science Center at Houston

Alisha Keehn, MPA

American College of Medical Genetics and Genomics/National Coordinating Center for the Regional Genetics Networks and Health Resources and Services Administration/Maternal and Child Health Bureau (as of 11/08/20)

Mark Korson, MD

VMP Genetics

Megan Lyon, MPH

American College of Medical Genetics and Genomics/National Coordinating Center for the Regional Genetics Networks

Debbie Maeise, MPA

American College of Medical Genetics and Genomics/ National Coordinating Center for the Regional Genetics Networks

Cecily Marroquin, MA

American Board of Medical Genetics and Genomics

Shawn McCandless, MD

Children's Hospital of Colorado

Michelle McClure, PhD

American College of Medical Genetics and Genomics

Honey V Reddi, PhD

Medical College of Wisconsin

John Richardson

National Society of Genetic Counselors

Rani Singh, PhD, RD, LD

Emory University

Joseph Shieh, MD, PhD

University of California San Francisco

Matthew Taylor, MD, PhD

University of Colorado Denver

Michael Watson, PhD, MS

American College of Medical Genetics and Genomics

Lori Williamson Dean, MS, CGC

University of Arkansas for Medical Sciences
