

Description of Additional Supplementary Files

File Name: Supplementary Movie 1

Description: 100 nm PEG-conjugated nanoparticulates in biotinylated Matrigel®

File Name: Supplementary Movie 2

Description: 100 nm PEG-conjugated nanoparticulates in biotinylated Matrigel® with antiPEG IgG

File Name: Supplementary Movie 3

Description: Respiratory Syncytial Virus in Matrigel®

File Name: Supplementary Movie 4

Description: Respiratory Syncytial Virus in Matrigel® with Synagis, a cocktail of three antiRSV antibodies
