

Description of Additional Supplementary Files

File Name: Supplementary Movie 1

Description: Niclosamide induces calcium burst in HCT116 p53^{-/-} cells.

File Name: Supplementary Movie 2

Description: Niclosamide analog does not induce calcium burst in HCT116 p53^{-/-}.

File Name: Supplementary Movie 3

Description: FCCP induces calcium burst in HCT116 p53^{-/-} cells.

File Name: Supplementary Movie 4

Description: DMSO (solvent) does not induce calcium burst in HCT116 p53^{-/-} cells.

File Name: Supplementary Movie 5

Description: Niclosamide induces calcium burst in HCT116 p53^{+/+} cells.

File Name: Supplementary Movie 6

Description: Niclosamide analog does not induce calcium burst in HCT116 p53^{+/+}.

File Name: Supplementary Movie 7

Description: FCCP induces calcium burst in HCT116 p53^{+/+} cells.

File Name: Supplementary Movie 8

Description: DMSO (solvent) does not induce calcium burst in HCT116 p53^{+/+} cells.
