

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Proteomic analysis of PfPP1-DD parasites in late IDC-stage parasites. Columns in “Proteomics measurements” tab are explained in “Key” tab.

File Name: Supplementary Data 2

Description: A second proteomic analysis of PfPP1-DD parasites in late IDC-stage parasites. Columns in “Proteomics measurements” tab are explained in “Key” tab.

File Name: Supplementary Data 3

Description: Phosphoproteomic analysis of PfPP1-DD parasites in late IDC-stage parasites.

Measurements are from same samples as in Supplementary Data 2. Columns in “Phosphoproteomics measurements” tab are explained in “Key” tab.
