

Description of Additional Supplementary Files

File Name: Supplementary Movie 1

Description: two-dimensional stretching mode

File Name: Supplementary Movie 2

Description: peel-off process

File Name: Supplementary Movie 3

Description: twisting mode-1

File Name: Supplementary Movie 4

Description: twisting mode-2

File Name: Supplementary Movie 5

Description: convex mode

File Name: Supplementary Movie 6

Description: (water immersion mode

File Name: Supplementary Movie 7

Description: wearable strain sensor based on Ag

File Name: Supplementary Movie 8

Description: wearable strain sensor based on MAM
