

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Average gene expression profiles for the nine T cell subtypes included in the reference TIL atlas for mouse (TIL_atlas_profiles sheet) and for human (TIL_atlas_profile_human sheet). For human profiles, only genes with a clear mouse ortholog are included. Cell subtype gene signatures for mouse (Mouse_signatures sheet) and human (Human_signatures sheet) derived from the reference TIL atlas, including at most 25 genes per signature.
