

Description of Additional Supplementary Files

File Name: Supplementary Movie 1

Description: N protein and NLRP3 protein were co-localized in the cytoplasm of A549 cells.

File Name: Supplementary Movie 2

Description: N protein and ASC protein were not co-localized in the cytoplasm of HEK293T cells.

File Name: Supplementary Movie 3

Description: N protein and ASC protein were not co-localized in the cytoplasm of A549 cells.

File Name: Supplementary Movie 4

Description: N, ASC, and NLRP3 were obviously co-localized to form “sphere-like” structures in HEK293T cells.

File Name: Supplementary Movie 5

Description: N, ASC, and NLRP3 were obviously co-localized to form “sphere-like” structures in A549 cells.
