

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Genes significantly downregulated by Men1 ablation in day 8 uteri.

File Name: Supplementary Data 2

Description: Genes significantly upregulated by Men1 ablation in day 8 uteri.

File Name: Supplementary Data 3

Description: Gene Ontology (GO) analysis for genes downregulated by Men1 ablation as reported by DAVID.

File Name: Supplementary Data 4

Description: Gene Ontology (GO) analysis for genes upregulated by Men1 ablation as reported by DAVID.

File Name: Supplementary Data 5

Description: Lists of genes for Cytokinesis/response to FGF/ response to BMP.
