

File name: Supplementary Movie 1

Description: 3D variability analysis of RNase P holoenzyme (final particle set for class 1) with AU_ES* complex structure model fitting in the map.

File name: Supplementary Movie 2

Description: 3D variability analysis of AU_ES* final particle set with AU_ES* complex structure model fitting in the map.

File name: Supplementary Movie 3

Description: Morphing of structure models for RNase P holoenzyme and AU_ES* complex structure.
