

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: List of genes under convergent relaxation in social spiders

File Name: Supplementary Data 2

Description: List of genes under convergent intensification in social spiders.

File Name: Supplementary Data 3

Description: Gene ontology terms (Biological Processes, BP) under acceleration in social spiders.

File Name: Supplementary Data 4

Description: Gene ontology terms (Biological Processes, BP) under deceleration in social spiders.

File Name: Supplementary Data 5

Description: List of genes harbored convergent amino acid sites in social spiders.
