

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: A_PhyloSET B_RiboSET C_UntranslSET

File Name: Supplementary Data 2

Description: RiboSET_ext

File Name: Supplementary Data 3

Description: overlap with Ivanov et al, Yeom et al, Van Damme et al

File Name: Supplementary Data 4

Description: TIS score for starts in RiboSET

File Name: Supplementary Data 5

Description: Gene Ontology for RiboSET and PhyloSET

File Name: Supplementary Data 6

Description: Human Protein Atlas, TargetP, SignalP and DeepTMHMM prediction of localisation for PhyloSET, RiboSET, RiboSET_ext and UntranslSET

File Name: Supplementary Data 7

Description: gene with exclusive non-AUG initiation

File Name: Supplementary Data 8

Description: Ribo-seq studies with triplet periodicity scores

File Name: Supplementary Data 9

Description: ClinVar variants within RiboSET_ext extensions
