Editorial Note: This manuscript has been previously reviewed at another journal that is not operating a transparent peer review scheme. This document only contains reviewer comments and rebuttal letters for versions considered at *Nature Communications*.

REVIEWERS' COMMENTS

Reviewer #1 (Remarks to the Author):

The authors have successfully taken into account my comments and questions.

The limitations have been added, extra figures were included, etc.

Modifications have been made in both the manuscript and the supplementary information.

Response to Reviewer #1

Reviewer #1: The authors have successfully taken into account my comments and questions.

The limitations have been added, extra figures were included, etc.

Modifications have been made in both the manuscript and the supplementary information.

Answer: Thank you for your final comment to publish our manuscript. Above all, we are so glad to receive the reviewer's recognition for our work. Thank you very much again.
