

Description of Additional Supplementary Files

Supplementary Data Legends

Supplementary Data 1. Library list.

Supplementary Data 2. NapRNAs identified by NAP-seq.

Supplementary Data 3. NapRNAs which were differentially expressed.

Supplementary Data 4. Histone modification patterns of napRNAs

Supplementary Data 5. RepRNAs identified by NAP-seq.

Supplementary Data 6. SliRNAs identified by NAP-seq.

Supplementary Data 7. Snotrons identified by NAP-seq.

Supplementary Data 8. MisRNAs identified by NAP-seq.

Supplementary Data 9. List of primer and probe sequences
