

The Supplemental files includes:

- Supplementary Data1.

Description: Supplementary Table S3. Information of Reagent or Resource.

- Supplementary Data2.

Description: Supplementary Table S4. Mass spectrometry analysis of a peptide derived from Flag-ZDHHC20-immunoprecipitates to show the interaction proteins of ZDHHC20.

- Supplementary Data3.

Description: Mass spectrometry analysis of a peptide derived from Flag-YTHDF3 WT/C474S-immunoprecipitates to show the difference interactions between YTHDF3 WT and YTHDF3 C474S.
