

Description of Additional Supplementary File

Supplementary Data 1. Scrapped lithium-ion battery prediction under China's carbon neutrality target

Supplementary Data 2. Logistics distance between EV manufacturers and LIB manufacturers

Supplementary Data 3. Logistics distance between EV dealers and EV manufacturers

Supplementary Data 4. Logistics distance between EV dealers and LIB recycling points

Supplementary Data 5. Logistics distance between EV dealers and LIB secondary use points

Supplementary Data 6. Unit net profit related to lithium-ion battery recycling
