

Title: Supplementary Movie 1

Description: Animation of active foam simulation of spheroid fusion at relative cell-cell tension $\alpha = 0.25$, with $\text{par}/2\gamma = 0.45$.

Title: Supplementary Movie 2

Description: Animation of active foam simulation of spheroid fusion at relative cell-cell tension $\alpha = 0.50$, with $\text{par}/2\gamma = 0.45$.

Title: Supplementary Movie 3

Description: Animation of active foam simulation of spheroid fusion at relative cell-cell tension $\alpha = 0.75$, with $\text{par}/2\gamma = 0.45$.
