
Widespread small grabens consistent with recent tectonism on Mercury

In the format provided by the
authors and unedited

Supplementary Information

Supplementary Data 1 | **Global grabens database.**

(<https://doi.org/10.6084/m9.figshare.22821764>)

Supplementary Data 2 | **Global tectonics database.**

(<https://doi.org/10.6084/m9.figshare.22821764>)

Supplementary Data 3 | **Spreadsheet of calculations.** Sheet 1, Table of shadow measurements. Sheet 2, Length, width depth measurements and rate of infilling calculations. Sheet 3, Displacement-Length Scaling calculations.
