

**Nitrate transporter**

Lane 4: Control

Lane 5: Inoculated

**Chloride transporter**

Lane 6: Control

Lane 7: Inoculated

**Cyclophilin**

Lane 3: Control

Lane 4: Inoculated

**Nitrate reductase**

Lane 6: Control

Lane 7: Inoculated

**WRKY48**

Lane 1: Control

Lane 2: Inoculated

**High affinity nitrate transporter**

Lane 7: Control

Lane 8: Inoculated

**Supplementary Figure 2:** This figure contains the original, unedited gel images used in figures in this study.
