ikun Life Daily Use Shop	Air Conditioning	This user did not fill out a rating	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good...good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	With this small energy-saving device is really quite save electricity, the reason why I chose to buy in the Jingdong, is to believe that the quality of the products above the Jingdong is guaranteed, with this small energy-saving device, almost a month to save electricity about 100 degrees!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good quality, much cheaper than brick-and-mortar stores, easy to install	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	There is no use, I used 853 degrees of electricity in July, from August 1 started to use this product, and the home use when using 3, to August 31, the power consumption is 867 degrees, not only not less, but on the contrary, more.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	part of the electricity, quality is guaranteed, work without any noise, the summer home air conditioning open more, this is a must have at home!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Tested and effective! I was using almost 500 a month on my electric bill before, but now I can save more than a hundred, which is really great! It's very good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	the price, here to give the businessman a praise. Product quality is very good, customer service attitude is also very good, very like, praise. It really works well and saves electricity.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	only for the comfort of the heart, but the product's light is too bright, in the middle of the night is a night light, when you can not sleep at night really want to smash it 🔨 seriously affect the sleep.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Arrived, effective, logistics is fast, the quality is very good, really save electricity, I have recommended friends are bought to use, especially the use of large amounts of electricity friends, the effect is more obvious	Jingdong prefecture level city in Shandong

ikun Life Daily Use Shop	Air Conditioning Adapter	fast, used to look at the meter, check the price does save money	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Baby received, the use of very simple, directly into the socket on the can, summer air conditioning power is very expensive electricity, with this direct save almost half!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong

ikun Life Daily Use Shop	Air Conditioning Adapter	Good...good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	With this small energy-saving device is really quite save electricity, the reason why I chose to buy in the Jingdong, is to believe that the quality of the products above the Jingdong is guaranteed, with this small energy-saving device, almost a month to save electricity about 100 degrees!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Good quality, much cheaper than brick-and-mortar stores, easy to install	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	There is no use, I used 853 degrees of electricity in July, from August 1 started to use this product, and the home use when using 3, to August 31, the power consumption is 867 degrees, not only not less, but on the contrary, more.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	part of the electricity, quality is guaranteed, work without any noise, the summer home air conditioning open more, this is a must have at home!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Tested and effective! I was using almost 500 a month on my electric bill before, but now I can save more than a hundred, which is really great! It's very good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	the price, here to give the businessman a praise. Product quality is very good, customer service attitude is also very good, very like, praise. It really works well and saves electricity.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	only for the comfort of the heart, but the product's light is too bright, in the middle of the night is a night light, when you can not sleep at night really want to smash it 🤜 seriously affect the sleep.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Arrived, effective, logistics is fast, the quality is very good, really save electricity, I have recommended friends are bought to use, especially the use of large amounts of electricity friends, the effect is more obvious	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	fast, used to look at the meter, check the price does save money	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Baby received, the use of very simple, directly into the socket on the can, summer air conditioning power is very expensive electricity, with this direct save almost half!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	The product works very well, it does save electricity, and it works with all kinds of appliances, and it's a good price, too, so I'm very satisfied.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	I received it, it's good quality, it's just as described by the customer service, it's very good, it's fast shipping.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Very good. Bought back to use for a while. Electricity than before to save a lot, very good, I bought back several, more rooms at home, power consumption fast. And in the summer is also easy to pressure instability jump power, this economizer perfect solution to this problem, very good!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Good value for money affordable, power saving and energy efficient. Very good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Good, around a lot of friends are using the effect is obvious	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Bought back two days outside the light is not bright, and do not see saving electricity, buy when asking customers what are restored quite quickly, pay money to the customer is like dead, a few days are not restored, garbage things.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Unwrapped to see this inside, also want to save some, kidding, thought there is some device inside	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	simple and safe, plug it in, really save electricity, home essential, especially like this one. The price is also very cheap	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong

ikun Life Daily Use Shop	Air Conditioning	This user did not fill out a rating	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good...good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	With this small energy-saving device is really quite save electricity, the reason why I chose to buy in the Jingdong, is to believe that the quality of the products above the Jingdong is guaranteed, with this small energy-saving device, almost a month to save electricity about 100 degrees!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good quality, much cheaper than brick-and-mortar stores, easy to install	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	There is no use, I used 853 degrees of electricity in July, from August 1 started to use this product, and the home use when using 3, to August 31, the power consumption is 867 degrees, not only not less, but on the contrary, more.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	part of the electricity, quality is guaranteed, work without any noise, the summer home air conditioning open more, this is a must have at home!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Tested and effective! I was using almost 500 a month on my electric bill before, but now I can save more than a hundred, which is really great! It's very good.	Jingdong prefecture level city in Shandong

ikun Life Daily Use Shop	Air Conditioning Adapter	the price, here to give the businessman a praise. Product quality is very good, customer service attitude is also very good, very like, praise. It really works well and saves electricity.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	only for the comfort of the heart, but the product's light is too bright, in the middle of the night is a night light, when you can not sleep at night really want to smash it 🐶 seriously affect the sleep.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Arrived, effective, logistics is fast, the quality is very good, really save electricity, I have recommended friends are bought to use, especially the use of large amounts of electricity friends, the effect is more obvious	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	fast, used to look at the meter, check the price does save money	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Baby received, the use of very simple, directly into the socket on the can, summer air conditioning power is very expensive electricity, with this direct save almost half!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong

ikun Life Daily Use Shop	Air Conditioning	Good...good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	With this small energy-saving device is really quite save electricity, the reason why I chose to buy in the Jingdong, is to believe that the quality of the products above the Jingdong is guaranteed, with this small energy-saving device, almost a month to save electricity about 100 degrees!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good quality, much cheaper than brick-and-mortar stores, easy to install	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	There is no use, I used 853 degrees of electricity in July, from August 1 started to use this product, and the home use when using 3, to August 31, the power consumption is 867 degrees, not only not less, but on the contrary, more.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	part of the electricity, quality is guaranteed, work without any noise, the summer home air conditioning open more, this is a must have at home!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Tested and effective! I was using almost 500 a month on my electric bill before, but now I can save more than a hundred, which is really great! It's very good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	the price, here to give the businessman a praise. Product quality is very good, customer service attitude is also very good, very like, praise. It really works well and saves electricity.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	only for the comfort of the heart, but the product's light is too bright, in the middle of the night is a night light, when you can not sleep at night really want to smash it 🙃 seriously affect the sleep.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Arrived, effective, logistics is fast, the quality is very good, really save electricity, I have recommended friends are bought to use, especially the use of large amounts of electricity friends, the effect is more obvious	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	fast, used to look at the meter, check the price does save money	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Baby received, the use of very simple, directly into the socket on the can, summer air conditioning power is very expensive electricity, with this direct save almost half!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	The product works very well, it does save electricity, and it works with all kinds of appliances, and it's a good price, too, so I'm very satisfied.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	I received it, it's good quality, it's just as described by the customer service, it's very good, it's fast shipping.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Very good. Bought back to use for a while. Electricity than before to save a lot, very good, I bought back several, more rooms at home, power consumption fast. And in the summer is also easy to pressure instability jump power, this economizer perfect solution to this problem, very good!	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good value for money affordable, power saving and energy efficient. Very good.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Good, around a lot of friends are using the effect is obvious	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Bought back two days outside the light is not bright, and do not see saving electricity, buy when asking customers what are restored quite quickly, pay money to the customer is like dead, a few days are not restored, garbage things.	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning	Unwrapped to see this inside, also want to save some, kidding, thought there is some device inside	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	simple and safe, plug it in, really save electricity, home essential, especially like this one. The price is also very cheap	Jingdong prefecture level city in Shandong
ikun Life Daily Use Shop	Air Conditioning Adapter	Already purchased for the second time, this power saver is really powerful, used to spend 300 electricity bill every month, now they are about 200!	Jingdong prefecture level city in Shandong
