

This document certifies that the manuscript

High mobility group box-1 protein promotes astrocytic CCL5 production through the
MAPK/NF- κ B pathway following spinal cord injury

prepared by the authors

Guanghao Chi, Junqin Lu, Tao He, Yijia Wang, Xinli Zhou, Yuxin Zhang, Longshun Qiu

was edited for proper English language, grammar, punctuation, spelling, and overall style
by one or more of the highly qualified native English speaking editors at SNAS.

This certificate was issued on **August 1, 2024** and may be verified
on the [SNAS website](#) using the verification code **B9DB-D6AB-B3AB-B30C-E2B9**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final SNAS edited version, please visit our verification page at secure.authorservices.springernature.com/certificate/verify.

If you have any questions or concerns about this edited document, please contact SNAS at support@as.springernature.com.
