

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: NF54/NF54HT-GFP-luc × NHP4026 Genetic Map

File Name: Supplementary Data 2

Description: MKK2835 × NHP1337 Genetic Map

File Name: Supplementary Data 3

Description: Allele frequencies and significance of segregation distortion in NF54 × NHP4026 progeny.

File Name: Supplementary Data 4

Description: Microsatellite information for microsatellites used for initial screening of some of the NF54 × NHP4026 progeny.
