

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: The source data behind Figure 1a in the paper

File name: Supplementary Data 2-3

Description: The source data behind Supplementary Figure 3a in the paper

File name: Supplementary Data 4-5

Description: The source data behind Supplementary Figure 3b in the paper

File name: Supplementary Data 6-8

Description: The source data behind Supplementary Figure 5a in the paper

File name: Supplementary Data 9-11

Description: The source data behind Supplementary Figure 5b in the paper

File name: Supplementary Data 12

Description: The source data behind the numerical curves in the Figures and Supplementary Figures of the paper

File name: Supplementary data 13

Description: The codes used in this study
