

Description of Additional Supplementary Files

File Name: Supplementary Data

Description: The source data behind the graphs in the paper.

File Name: Supplementary Movie 1

Description: Live cell observation of C2C12 cells under acoustic stimulation.

File Name: Supplementary Movie 2

Description: Live cell images of expanded and retracted areas of C2C12 cells under acoustic stimulation.

File Name: Supplementary Movie 3

Description: Live cell observation of C2C12 cells in silent condition.

File Name: Supplementary Movie 4

Description: Live cell images of expanded and retracted areas of C2C12 cells in silent condition.

File Name: Supplementary Audio 1

Description: 440 Hz Sine Wave (60s).

File Name: Supplementary Audio 2

Description: 14k Hz Sine Wave (60s).

File Name: Supplementary Audio 3

Description: White Noise (60s).

File Name: Supplementary Audio 4

Description: 440 Hz Triangle Wave (60s).

File Name: Supplementary Audio 5

Description: 440 Hz Square Wave (60s).
