

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Atomic coordinates for optimized computational models

File Name: Supplementary Data 2

Description: Cif file for compound 3bD

File Name: Supplementary Data 3

Description: Cif file for compound 3cD

File Name: Supplementary Data 4

Description: Cif file for compound 3dD

File Name: Supplementary Data 5

Description: Cif file for compound 3eD

File Name: Supplementary Data 6

Description: Cif file for compound 15
