

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Raw data for the DSF, SPR and TR-FRET measurements

File name: Supplementary Data 2

Description: Deposited PDB structure of BRD4 bound to compound 92

File name: Supplementary Data 3

Description: Deposited PDB structure of BRD4 bound to compound 94

File name: Supplementary Data 4

Description: Deposited PDB structure of BRD4 bound to compound 50
