

Description of Additional Supplementary Files

File name: fuerst_2023_cee_PIF_suppl.pdf

Title: Supplementary Material

Description: Supplementary PDF that comprises further details on the considered thickness observations, a specific description of model refinements and an extended discussion.

File name: fuerst_2023_npi_comparison_ice_discharge_v1.0.0.txt

Title: Supplementary Data 1 - NPI ice-discharge comparison

Description: Comparison of ice-discharge estimates and associated uncertainties for the Northern Patagonian Icefield (NPI).

File name: fuerst_2023_npi_ice_discharge_FG_partitioning_v1.0.0.txt

Title: Supplementary Data 2 - NPI ice-discharge partitioning

Description: Partitioning of ice-discharge estimates and associated uncertainties for the Northern Patagonian Icefield (NPI).

File name: fuerst_2023_spi_comparison_ice_discharge_v1.0.0.txt

Title: Supplementary Data 3 - SPI ice-discharge comparison

Description: Comparison of ice-discharge estimates and associated uncertainties for the Southern Patagonian Icefield (SPI).

File name: fuerst_2023_spi_ice_discharge_FG_partitioning_v1.0.0.txt

Title: Supplementary Data 4 - SPI ice-discharge partitioning

Description: Partitioning of ice-discharge estimates and associated uncertainties for the Southern Patagonian Icefield (SPI).
