

Description of Additional Supplementary Files

File name: Supplementary Video 1

Description: Cloud optical thickness measured by SEVIRI on 2016-09-01

File name: Supplementary Video 2

Description: TOA reflectance measured by SEVIRI on 2016-09-01

File name: Supplementary Video 3

Description: Cloud optical thickness measured by SEVIRI on 2006-03-29

File name: Supplementary Video 4

Description: TOA reflectance measured by SEVIRI on 2006-03-29

File name: Supplementary Video 5

Description: Cloud optical thickness measured by SEVIRI on 2005-10-03

File name: Supplementary Video 6

Description: TOA reflectance measured by SEVIRI on 2005-10-03
