

Description of Additional Supplementary Files

File name: Supplementary Data 1

File description: The source data for Figure 1

File name: Supplementary Data 2

File description: The source data for Figure 2

File name: Supplementary Data 3

File description: The source data for Figure 3

File name: Supplementary Data 4

File description: The source data for Figure 4

File name: Supplementary Data 5

File description: The source data for Figure 4

File name: Supplementary Data 6

File description: The source data for Figure 7

File name: Supplementary Data 7

File description: the source data for Supplementary Figure S2

File name: Supplementary Data 8

File description: the source data for Supplementary Figure S5
