

Description of Additional Supplementary Files

File name: Supplementary Data 1.

File description: Datasets and accession numbers used in this study.

File name: Supplementary Data 2.

File description: CpG Overlap criteria.

File name: Supplementary Data 3.

File description: Reference and comparison groups in Figure 3.

File name: Supplementary Data 4.

File description: Overview of CpGs in age signatures defined in the current study.

File name: Supplementary Data 5.

File description: CpGs associated with senescence in the current study.

File name: Supplementary Data 6.

File description: CpGs associated with proliferation in the current study.

File name: Supplementary Data 7.

File description: PCGT-associated CpGs in the current study.

File name: Supplementary Data 8.

File description: Source data for Figure 2a.

File name: Supplementary Data 9.

File description: Source data for Figure 2b.

File name: Supplementary Data 10.

File description: Source data for Figure 2c.

File name: Supplementary Data 11.

File description: Source data for Figure 3.

File name: Supplementary Data 12.

File description: Source data for Figure 4b.

File name: Supplementary Movie 1.

File description: Animation to explain positive AUC based on thresholds. See additional .gif file.

File name: Supplementary Movie 2.

File description: Animation to explain a negative AUC based on thresholds. See additional .gif file.
