

Description of Additional Supplementary Files

File name: Supplementary Movie 1

Description: Reconstruction results of reproducible water droplet collisions (side view)

File name: Supplementary Movie 2

Description: Reconstruction results of reproducible water droplet collisions (top view)

File name: Supplementary Movie 3

Description: Reconstruction results of quasireproducible water droplet collisions (side view)

File name: Supplementary Movie 4

Description: Reconstruction results of quasireproducible water droplet collisions (top view)

File name: Supplementary Movie 5

Description: Reconstruction results from experimental additive manufacturing data
